PROPOSED ORDINANCE AMENDMENT 20-

Chapter 190 Zoning

§ 190-14 Accessory buildings and uses

H. (3)

A pool shall be surrounded by a fence at least four feet high and capable of preventing small children from entering. Aboveground pools with unclimbable vertical sides 48 inches or *higher* shall not have to be fenced.

PROPOSED ORDINANCE AMENDMENT 20-

Chapter 159 Swimming Pools

§ 159-3 Construction permit and certificate of approval; fee.

It shall be unlawful to proceed with the construction, installation, enlargement or alteration of any private residential swimming pool and appurtenances within the City unless a permit therefor shall have been first been obtained from the *Building Inspector/Code Enforcement Officer*. Such permits shall be obtained by the contractor or the person responsible for the actual construction. Said person must be prepared to show that he or she carries adequate liability, property damage and workers' compensation insurance. *Permit fees for any inground and any metal-wall swimming pool that can contain more than 24 inches of water depth or for any seasonal, inflatable, inflatable ring, self-set or "kiddie" swimming pools that can contain more than 24 inches of water depth shall be established by resolution of the Common Council. Such fees may thereafter be amended from time to time by like resolutions.* Fees shall be submitted with the plans and specifications submitted with the application for permit. The contractor obtaining a permit shall notify the *Building Inspector/Code Enforcement Officer* when the work is in progress. Before the pool can be used, a certificate of approval shall be obtained from the *Building Inspector/Code Enforcement Officer*.
