MOTION CARRIED

OLD BUSINESS

Shirley Lomery noted that everything the Board had wanted to be done has been completed.

Agenda Item

Chairman Burke said the only item on the agenda is a request to have the no parking signs on Stanton Street removed. Chairman Burke said that the purpose for those no parking signs has

long since gone, and there is no activity to warrant the need for the signs. It was noted that there is a City parking lot at the end of the street also.

Moved by Shirley Lomery
Seconded by Barbara Buehner

RESOLVED, that the no parking signs on Stanton Street be hereby removed.

MOTION CARRIED

NEW BUSINESS

Shirley Lomery said there is still an issue with drivers at Main and Walnut ignoring the traffic signal and/or traffic signs placed during power outages. She stated that on June 8th and June 30th the power was out at that corner. Fire Department Rep Rob Cowles said that the default for traffic lights is having them flash red/yellow, while doing maintenance or repairs. Police Chief Thompson said the police would be located at major intersections, such as Rt. 5 and Rt. 46 during a power outage. Deputy Fire Chief Cowles said that the public should dial 911 if a traffic signal is not working, and the 911 Center will contact the Police Department to handle the matter.

Motion by Mike Kaiser
Seconded by Barbara Buehner

The meeting is hereby adjourned at 2:18 p.m.

The next scheduled meeting is October 17, 2017 at 2:00 p.m. in the Common Council Chambers.

Respectfully submitted,

Susan Pulverenti
