

# CITY OF ONEIDA

## 2016 Fall Leaf Pick-Up

The City of Oneida, Department of Public Works will begin the annual *Fall Leaf Pick-Up* on **Monday, October 31st**. See map below for scheduled weekly pick-up areas.

### SCHEDULE

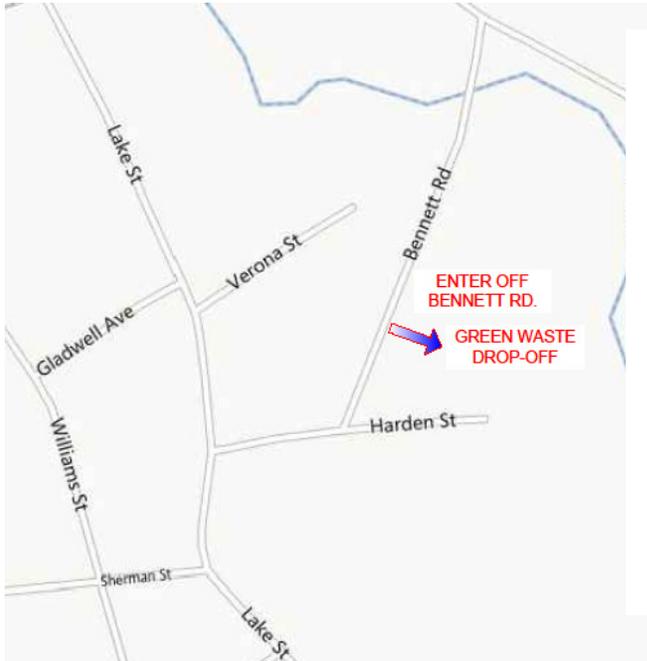

### ANSWERS TO FAQ's

- Please place loose leaf piles between the sidewalk and street for pickup. Do not place leaves in the roadway.
- Please do not place leaves around utility poles for trees.
- Please place tree branches in a separate pile from leaves.
- Paper yard bags are also acceptable for leaf pick-up. Plastic bags are not acceptable containers and will not be picked up.
- No appointments or calls are needed.
- The City offers self-drop-off if residents do not want to wait for pick-up – see information below.
- Additional Comments/Questions? Call the Public Works office at 315.363.7222.

## A. Self-Drop-Off

A self-drop-off location is available to accommodate homeowners who prefer to remove their yard waste immediately.

The self-drop-off location is open weekdays and weekends at the Bennett Road area. We request that you separate brush/branches from grass clippings and leaves as indicated on the signage. See above for acceptable green waste descriptions. The drop-off service is for City residents only. No commercial green waste is allowed.
